

BGA GOOD STANDING

BGA students are expected to attend school 5 days a week, on time. Students that show commitment to their attendance are rewarded with 'good standing'. To that end, the following procedures have been developed:

Students with 4 or more unexcused absences each month will no longer be in 'good standing'.

Loss of 'good standing' means a student may not be allowed in sports, extracurricular activities, receive work extensions, or other privileges.

To return to 'good standing', the student and family must attend a mandatory attendance meeting with the Student Support Team to develop a plan for support and change.

Students may lose 'good standing' again if they fail to fulfill the attendance contract. Once in 'good standing' student will regain privileges.
